Dedication ceremony for St. Vincent De Paul Home for the Aged.

Corporate Social Responsibility: A Commitment to our People and our Communities.

Our collective Social Responsibility Initiatives are built on seven (7) key pillars: **Education, Youth Development & Entrepreneurship, Arts and Culture, Sports, Environment, Communities, Health and Well being.** The overall involvement and engagement serves to foster a strong bond as both financial and moral support are brought to bear in the process of building a better and stronger nation.

The wide range of projects and programmes has had a positive effect on the general public as beneficiaries range from all backgrounds and age groups.

The photos above are but small examples of some of our initiatives .
